Factsheet

Create a factsheet about a religious symbol such as the hijab or a person who stood up for others rights.

Diversify your bookshelf

Watch Chimamanda Ngozi Adichie's TED talk about **The Danger of a Single Story.**

Think about the books that you have read.

Are they written by authors with a background different to your own?

Do they feature characters with backgrounds different to your own?

Do they encourage you to think about other people's experiences?

Ask your librarian to suggest some books to diversify your bookshelf and fill in the titles below of books to add to your to-be-read list.
